Contact details of the data processor: Phone number: + 36-99 / 884-000, E-mail address: unas@unas.hu

The Data Processor stores personal data on the basis of a written contract concluded with the Data Controller. You do not have access to personal information.

DATA SECURITY MEASURES

The Data Controller declares that it has taken appropriate security measures to protect personal data against unauthorized access, alteration, transmission, disclosure, deletion or destruction, as well as accidental destruction and damage, and becoming inaccessible due to changes in the technology used.

YOUR RIGHTS IN DATA PROCESSING

During the period of data processing you are entitled to:

- the right to information,
- the right to rectify the data,
- the right to delete data,
- the right to block data,
- the right to protest.

You may request information from the Data Controller regarding the processing of your personal data during the period of data processing. The Data Controller shall inform you in writing, in a comprehensible form, as soon as possible after the submission of the request, but not later than within 25 days, of the data processed, the purpose, legal basis, duration of the data processing and, if so, who and for what purpose they receive or have received the data.

You may, within the period of data processing, request that the Data Controller correct your personal data. The Data Controller will comply with your request within 15 days at the latest.

You have the opportunity to request the deletion of your personal data, which the Data Controller will comply with within 15 days at the latest. The right to delete does not extend if the Data Controller is obliged by law to further store the data, or if the Infotv. In accordance with Section 6 (5), the Data Controller is entitled to further process personal data (for example in connection with invoicing).

You may request that the Data Controller block the personal data if the final deletion of the data would harm the legitimate interests of the data subject. Personal data blocked in this way may only be processed for as long as the purpose for which the deletion of the personal data was prevented exists.

You may object to the processing of your personal data,

- if the processing or transfer of personal data is necessary only for the fulfillment of a legal obligation to the Data Controller or to enforce the legitimate interest of the Data Controller, the data recipient or a third party, except in the case of mandatory data processing and Infotv. In the case provided for in Section 6 (5);
- if the use or transfer of personal data without your consent is for the purpose of direct business acquisition, public opinion polling or scientific research.

The Data Controller will examine the protest as soon as possible, but not later than within 15 days from the submission of the request, will make a decision on the merits of the request and will inform you of its decision in writing. If the controller does not comply with the data subject's request for rectification, blocking or erasure, he shall provide the factual and legal reasons for rejecting the request for rectification, blocking or erasure in writing or with the consent of the data subject within 25 days of receipt of the request.

REMEDIES

If you believe that the Data Controller has violated any legal provision on data processing or has not complied with any of its requests, the National Data Protection and Freedom of Information Authority may initiate an investigation procedure to terminate the alleged unlawful data processing (mailing address: 1530 Budapest, Pf. : 5., e- mail: ugyfelszolgalat@naih.hu).

We also inform you that in case of violation of the legal provisions on data processing, or if the Data Controller has not complied with any of its requests, it may take legal action against the Data Controller.
